Event-Manager: START Dinner and Yearly Events

Operations is all about managing everything concerning our events while also being an interface between the other departments. We want to offer our members the best possible composition of useful events to personally develop from them and get the opportunity to receive helpful advice from founders as well as fellow members. Our goal is it to widen the range of events, make them more professional and develop a well working infrastructure within the organization. In order to achieve this target we need highly dedicated people – just like you - who want to be engaged in new projects and believe that we are capable of becoming the leading initiative in the Start Up scene!

As the Manager of START Dinner, Yearly Events and the Tour you are going to organize the best parties and get together along with special events like the Road To START Summit and a START Tour.

Main Responsibilities:

- Find locations for more informal or special events
- Organize drinks, food, music and if necessary games and icebreakers
- Implement new forms of classic dinners with investors, alumni or Start Ups
- Plan Semester Opening/Closing Parties or Bar-Hopping
- Manage the RTSS (+ Team)
- Find dates, send invitations and reminders
- Work together with Insight Team on a START Tour

This is an excerpt of the areas, which you and your team take over independently and reliably.

Benefits:

- Gain experience in event management
- Get the opportunity to be creative concerning details of the event
- Be part of the START Core team
- Get prioritized access to events with limited capacities e.g. Bits & Pretzels, SLUSH or START Summit
- Strengthen your hard and soft skills
