HR Manager (Alumni)

The department "Human Resources" has the ultimate goal of making each member's time at START Munich as valuable as possible.

This includes welcoming new and unique people to the organization, simplifying communication and the exchange of knowledge among members and strengthening the network of existing members and alumni.

As Alumni Manager you can assume responsibility in these areas and thus contribute to the above-mentioned goal:

Areas of responsibility:

- Develop a comprehensive plan to engage our Alumni and connect them with our members (and implement that plan)
- Oversee all communications with Alumni
- Create meaningful opportunities for volunteerism, services, personal and professional development mentoring (Alumni-to-Members)
- Offboard current members into Alumni status
- Collect and summarize Feedback from Alumni and come up with comprehensive plans to implement their Feedback
- Help our Board of Directors to implement an Alumni - Advisory Board

This is an excerpt of the areas which the Alumni Manager takes over independently and reliably.

Your advantages

- greater learning opportunities: through active involvement in the organization you strengthen your soft & hard skills, broaden your horizons and discover new talents
- priority selection for events with limited tickets, e.g. exchange with other chapters or a trip to the USA

By applying for this position, you guarantee your commitment in the areas of responsibility of the "Alumni Manager" for the summer semester 2019.
