

Graphic Designer

The department "Marketing" has the ultimate goal of growing our wonderful organization fast - but smart.

This includes all forms and fields of marketing, such as Growth Marketing, Print & Web Design and in general getting our message out to more potential STARTis.

As a Graphic Designer at START you can assume responsibility in these areas and thus contribute to the above-mentioned goal:

Areas of responsibility:

- Be fully responsible for all areas of Graphic Design at START
- Design awesome media content for our blog and press
- Create eye-catching Media (Flyer, Shirts, Merch...) together with our Content Manager
- Work in close contact with our Marketing Team

This is an excerpt of the areas which the Graphic Designer takes over independently and reliably.

Your advantages

- greater learning opportunities: through active involvement in the organization you strengthen your soft & hard skills, broaden your horizons and discover new talents
- priority selection for events with limited tickets, e.g. exchange with other chapters or a trip to the USA

By applying for this position, you guarantee your commitment in the areas of responsibility of the "Graphic Designer" for the summer semester 2019.
